This session takes place every Sunday's 10.00-11.30am at Southmead Children's Centre, Whiston, L35 3XZ

Drop in Sessions:

Baby Explorers

For babies aged 0-12 months of age. Activities for you and your baby including sensory play, song time and more.

Little Explorers

For babies aged 12 - 24 months of age focusing on aspects of child development including: personal, social and emotional development, physical development, communication & literacy, maths.

Little Adventurers

For children aged 0- 5. Fun filled sessions where you and your children can meet other families in a warm & welcoming environment and engage in quality play time. You will also be provided with activity ideas you can take home with you to do with your child.

In all our drop in sessions we have 'Circle Time' at the beginning of each session to welcome all children and sing 'Hello' - could we ask where possible families arrive as close to the start time.

Bookable sessions:

Baby Massage

This is a 6 week course for infants aged 4 weeks - 6 months. The course promotes bonding and helps reduce difficulties such as wind, colic, constipation and irregular sleeping patterns.

Getting To Know Your Baby

To support parents during pregnancy and in the early months of their baby's life to bond with their baby and learn more about their babies understanding. Also, it is a great chance for you to meet with other parents on the same journey as you, and build on your knowledge and confidence as parents together.

Invitation only Early Years time limited activities (Targeted Sessions).

All children and adults learn and develop differently, occasionally some facilities benefit from an activity with limited numbers in attendance, the following activities offer this opportunity.

Baby Explorers

A 6 week course for babies aged 0 - 12 months of age focusing on aspects of child development including: personal, social and emotional development, physical development, communication & literacy, maths.

Smiley Days

A programme for parents/carers of children following a referral to the Child Development Team. The Programme is co-facilitated by a Speech & Language Therapist, Portage Early Support Practitioner, Paediatric Practitioner. Invitation only Programme. Borough wide service.

If you feel you and your family would benefit from accessing one of the above activities please contact your local Children's Centre and speak to a Family and Child Development Practitioner. Alternatively you and your family can attend the drop in sessions as advertised on the timetable.

Health Sessions:

Baby Club

Parents/carers can bring their babies to be weighed and measured as well as speak to a Health Visitor or Child Health Nurse about your baby.

Home Start Knowsley Breast Feeding Drop in Group

A session for ante-natal and post natal parents to receive information and support. Siblings are welcome too.

Infant Feeding Workshops

These workshops are an opportunity to meet other parents, a relaxed environment where there will be health care professionals on hand to discuss responsive infant feeding and relationship building.

Bump Baby & Me

A 7 week pregnancy course, start any time after your 12 week scan. Please call 0151 443 5301 to enquire about attending.

Managing Minor illness in your child

Fever, thrush, chickenpox, rashes, impetigo, eye infections, rotavirus & eczema - What is it? What are the symptoms? How to manage it. Come along to a warm and friendly 2 hour session.

Delivered by a Health Visitor & Children's Centre Practitioner. **Please call Leanne on 07840172440 to book your place**

Parenting Courses:

Understanding Your Child's Behaviour

A 10 week parenting group for parents with children aged 0-5. The course covers understanding your child's feelings, understanding your child's development, how to respond to your child's needs, play and having fun together, parenting styles, supporting sleep, managing anger and temper tantrums and how to cope when things go wrong. Focusing on promoting a nurturing and sensitive parent-child relationship, promoting positive communication with parents and children, and establishing healthy routines. Limited crèche places are available. Places are bookable only please contact one of our centres to book a place.

Mellow Parenting (referral only)

A 14 week attachment and relationship based course for parents who have babies and young children. Mixtures of reflective and practical techniques are used to allow parents to address their personal challenges and the challenges they face with their children. A typical group might run between 10am and 2:30pm. Children participate in a children's group while the parents meet together. Parents require a professional referral to this programme, and will receive an initial home visit and pre course assessment before starting the programme.

ACE Recovery Toolkit programme

A 10 week course aimed at parents who have experienced adverse childhood experiences, which have affected their wellbeing. The programme aims to support parents to build resilience through CBT approaches, motivational interviewing techniques and trauma-informed practice. The aim is to support parents in reducing the impact of their own ACEs on their parenting style, and build protective factors for their children to reduce the chance of inter-generational ACEs. This programme is bookable / referral only. Limited crèche available.

Parenting workshops

One-workshops covering different themes including behaviour management, toileting and school readiness, and supporting children with Special Education Needs. Delivered every half term and will be delivered in partnership with Children's Centres and Health Practitioners. Workshops are bookable only, please contact one of our centres to book your place.

Adult Education:

A wide range of Adult Education courses take place within all Children's Centres across Knowsley, including Dressmaking, Support Work Within Schools, Mental Health, Numeracy and Literacy.
